The History of Knitting Patterns

In this lighthearted, lavishly illustrated talk, hear stories of pioneering women who made fortunes catering to generations of leisure needleworkers; marvel at spectacular examples of primordial errata; and experience the joys and trials of bringing nineteenth-century designs to life.

Susan Gibbs

Life at Juniper Moon Farm

Flock around for stories and photos of shepherding life in Virginia. Susan founded the first CSA (community supported agriculture) for wool, creating a community that goes well beyond the farm.
